## 2<sup>nd</sup> International Conference

### on Emanations in Modern Engineering Science & Management

23<sup>rd</sup> – 24<sup>th</sup> March 2018

### Organized By

### Sanmarg Shikshan Sanstha's **SMT. RADHIKATAI PANDAV COLLEGE OF ENGINEERING**

### In Association with:

International Journal of Engineering and Techniques (IJET)  
ISSN: 2395 - 1303, UGC approved Journal.

## OBJECTIVE

The main objective of conference is to provide a global platform for researchers, academicians, scientists, practicing engineers and industry professionals to showcase and deliberate about their research work, studies, contributions, developments and new concepts related to the field of Engineering, Science and Technology.

## ABOUT SRPCE

History of Sanmarg Shikshan Sanstha dates back to 1966 when Shree Krishnaraoji Pandav planned to provide Quality Education to Youth that belongs to masses of Vidarbha. Sanmarg Shikshan Sanstha was created to train Engineers, Doctors, Graduates and Post-Graduates with the aim of developing a skilled workforce to support the economic and social development of India.

Smt. Radhikatai Pandav College of Engineering was established in the year 1999. The mission of the institute is to provide world class engineering and technocrats of high professional standard with human value and absolute discipline to serve the society with the integrity at large having pride for our nation. The institute is affiliated to the Rashtrasant Tukdoji Maharaj Nagpur university, Nagpur..

## ABOUT NAGPUR

Nagpur is the winter capital, a sprawling metropolis, and the third-largest city of the Indian state of Maharashtra after Mumbai and Pune. Nagpur is the 13th largest Indian city in terms of population. It has been proposed as one of the Smart Cities in Maharashtra

Nagpur is the seat of the annual winter session of the Maharashtra state assembly. It is a major commercial and political center of the Vidarbha region of Maharashtra. In addition, the city derives an important location for the Dalit Buddhist movement. Nagpur is also known for Deekshabhoomi, the largest hollow stupa among all the Buddhist stupas in the world.

It is famous for Nagpur oranges and is sometimes known as the Orange City for being a major trade center of oranges cultivated in the region. The city was founded in 1703 by the Gond King Bakht Buland Shah of Deogarh and later became a part of the Maratha Empire under the royal Bhonsale dynasty. The British East India Company took over Nagpur in the 19th century and made it the capital of the Central Provinces and Berar.

## SCOPE

The International Conference on Emanations in Modern Engineering Science and Management (ICEMESM-2018) is organized Smt. Radhikatai Pandav College of Engineering Nagpur, India. It provides a forum to the best talents in the academic & research institution, industry experts, management professionals, engineers and executives to work together and address the current challenges, to seek new windows for discovery and exploration, and to promote the new horizon of science, engineering & technology for a sustainable future. The conference is aimed to promote synergetic partnership between academia, research institutions, and industry and also to showcase the growth of cutting edge technology developed in recent past.
